Jacksonville Jaguars — PICK
Record 1-0 | Power Rank #3
LAST 4 W 34-10 CLE

Jacksonville has another opportunity to show that its progress travels beyond a single impressive result. Tennessee requires a fresh plan despite the difference in rankings.

Tennessee Titans
Record 0-1 | Power Rank #27
LAST 4 L 10-23 NYJ

Tennessee returns from its bye to a divisional matchup that will test its ability to sustain offense. The preparation interval offers an opportunity to refine the plan rather than proof of improvement.

#15

BUF at NYJ — Sun Nov 15 - 1:00 PM ET

BUF favored by 8.5 pts — **MFT Index #15.59**

Buffalo Bills — PICK
Record 1-0 | Power Rank #1
LAST 4 W 36-31 HOU

Buffalo has earned a leading position without needing every victory to become a shootout.

New York Jets
Record 1-0 | Power Rank #30
LAST 4 W 23-10 TEN

The Jets face a divisional opponent with a strong current position, making offensive consistency especially important. Recent receiver production has varied, so one successful week should not settle the next target distribution.

#14

LA at ARI — Sun Nov 15 - 4:05 PM ET

LA favored by 9.5 pts — **MFT Index #11.88**

Los Angeles Rams — PICK
Record 0-1 | Power Rank #15
LAST 4 L 7-27 SF

The Rams have improved their position, but their receiving outlook needs a fresh availability review. A road game against Arizona requires an adaptable plan if the preferred personnel are limited.

Arizona Cardinals
Record 1-0 | Power Rank #25
LAST 4 W 26-14 LAC

Arizona has an opportunity to test its approach against a familiar opponent whose personnel situation may be changing. That calls for preparation rather than assumptions about an easier matchup.

#13

SF at DAL — Sun Nov 15 - 4:25 PM ET

SF favored by 4.5 pts — **MFT Index #9.50**

San Francisco 49ers — PICK
Record 1-0 | Power Rank #2
LAST 4 W 27-7 LA

San Francisco returns to the road with a strong position to defend. Its immediate priority should be converting favorable stretches into complete drives rather than relying on isolated explosive gains.

Dallas Cowboys
Record 0-1 | Power Rank #22
LAST 4 L 20-28 NYG

Dallas has an opportunity to build on its latest result against a demanding opponent. San Francisco requires a complete approach, including productive possessions when the first option is unavailable.

#12

LAC at BAL — Mon Nov 16 - 8:15 PM ET

BAL favored by 5.5 pts — **MFT Index #7.50**

Los Angeles Chargers
Record 0-1 | Power Rank #32
LAST 4 L 14-26 ARI

The Chargers need a complete performance to change the direction of their season. Baltimore offers another test, and an opponent ranking alone does not explain how the game will unfold.

Baltimore Ravens — PICK
Record 1-0 | Power Rank #24
LAST 4 W 41-23 IND

Baltimore needs a steadier response after a demanding sequence of opponents. The Chargers present a different offensive challenge, but their ranking does not remove the need to execute.

#11

KC at ATL — Sun Nov 15 - 1:00 PM ET

KC favored by 3.5 pts — **MFT Index #7.00**

Kansas City Chiefs — PICK
Record 1-0 | Power Rank #7
LAST 4 W 31-10 DEN

Kansas City travels to Atlanta with an opportunity to keep building its offensive rhythm. Repeated scoring opportunities matter more than a single prominent highlight.

Atlanta Falcons
Record 0-1 | Power Rank #21
LAST 4 L 13-20 PIT

Atlanta faces an opponent that can punish interruptions in offensive rhythm. The priority should be maintaining viable possessions rather than allowing the game to become a series of urgent responses.

#10

SEA at LV — Sun Nov 15 - 4:05 PM ET

SEA favored by 3.5 pts — **MFT Index #5.75**

Seattle Seahawks — PICK
Record 1-0 | Power Rank #11
LAST 4 W 13-10 NE

Seattle travels to Las Vegas with a useful test of offensive stability. Quarterback and receiving expectations should remain attached to current participation rather than the names at the top of an older depth chart.

Las Vegas Raiders
Record 1-0 | Power Rank #20
LAST 4 W 27-13 MIA

Las Vegas has another chance to make its offensive possessions more dependable.

#9

WAS at NYG Thu Nov 12 - 8:15 PM ET

Washington Commanders
Record 0-1 | Power Rank #26
LAST 4 L 22-24 PHI

Washington has produced several receiving options, making the next distribution of targets especially useful to watch. A divisional trip requires a fresh plan even when the opponent is familiar.

NYG favored by 2.5 pts MFT Index #5.69

New York Giants PICK
Record 1-0 | Power Rank #13
LAST 4 W 28-20 DAL

The Giants have an opportunity to strengthen their position in another divisional matchup. Washington requires a new defensive plan rather than a replay of the previous game.

#8

MIN at GB Sun Nov 15 - 1:00 PM ET

Minnesota Vikings
Record 1-0 | Power Rank #12
LAST 4 W 39-22 GB

Minnesota needs a response that lasts beyond one promising possession. A divisional trip raises the importance of execution and adapting when the preferred approach stalls.

GB favored by 4.5 pts MFT Index #4.95

Green Bay Packers PICK
Record 0-1 | Power Rank #10
LAST 4 L 22-39 MIN

Green Bay has a chance to carry recent progress into a familiar matchup. Minnesota should be evaluated on its current performance and available personnel rather than on preseason reputation.

#7

HOU at CLE Sun Nov 15 - 1:00 PM ET

Houston Texans PICK
Record 0-1 | Power Rank #18
LAST 4 L 31-36 BUF

Houston has an opportunity to build on its latest result while maintaining a disciplined road approach. Receiving involvement deserves renewed attention, but one strong game cannot establish every future target share.

HOU favored by 4.5 pts MFT Index #4.25

Cleveland Browns
Record 0-1 | Power Rank #17
LAST 4 L 10-34 JAX

Cleveland needs a clearer offensive picture before recent passing production can be projected confidently. The Houston matchup should be assessed using the quarterback who is actually expected to participate.

#6

PIT at CIN Sun Nov 15 - 8:20 PM ET

Pittsburgh Steelers
Record 1-0 | Power Rank #9
LAST 4 W 20-13 ATL

Pittsburgh returns from its bye to a divisional game that demands immediate offensive sharpness. The break provides preparation rather than guaranteed health.

CIN favored by 3.5 pts MFT Index #4.21

Cincinnati Bengals PICK
Record 1-0 | Power Rank #6
LAST 4 W 33-27 TB

Cincinnati faces a divisional opponent for whom familiarity should make attention to detail particularly valuable. The offense should seek sustained possessions instead of allowing a high ceiling to excuse costly interruptions.

#5

NE vs DET Sun Nov 15 - 9:30 AM ET

New England Patriots
Record 0-1 | Power Rank #14
LAST 4 L 10-13 SEA

New England needs to recover offensive consistency while reassessing the backfield through the current injury evidence. A potential replacement opportunity is meaningful only when the available personnel support it.

DET favored by 2.5 pts MFT Index #4.00

Detroit Lions PICK
Record 1-0 | Power Rank #8
LAST 4 W 31-30 NO

Detroit takes its offense into a matchup where adapting quickly matters more than carrying over the last score. New England offers another test of drive consistency and finishing.

#4

MIA at IND Sun Nov 15 - 1:00 PM ET

Miami Dolphins
Record 0-1 | Power Rank #31
LAST 4 L 13-27 LV

Miami travels to Indianapolis with receiving usage worth monitoring independently of the overall team ranking. Repeated involvement can provide a more useful fantasy signal than a single touchdown.

IND favored by 2.5 pts MFT Index #3.25

Indianapolis Colts PICK
Record 0-1 | Power Rank #28
LAST 4 L 23-41 BAL

Indianapolis needs an offensive response while keeping roster speculation separate from completed transactions. Miami offers a new matchup, but the players actually available must define the projection.

#3

CAR at NO Sun Nov 15 - 1:00 PM ET

Carolina Panthers
Record 0-1 | Power Rank #19
LAST 4 L 37-59 CHI

Carolina travels to New Orleans needing a performance that is useful across an entire game. Recent receiving production can identify an option to watch without guaranteeing the same scoring return.

NO favored by 1.5 pts MFT Index #0.49

New Orleans Saints PICK
Record 0-1 | Power Rank #23
LAST 4 L 30-31 DET

New Orleans has several offensive roles worth following, but recent production should lead to a closer look rather than an automatic projection.
