Highest confidence first. Points are a suggested order, not a guarantee.

#16  KC	KC at MIA Kansas City Chiefs Power Rank #3 Entering Week 3 Consensus average: 4.25. Kansas City generated 523 yards but needed overtime to beat Indianapolis. Its offensive ceiling is clear; turning that production into a more comfortable margin is the next...	KC favored by 11.5 pts  Miami Dolphins Power Rank #32 Entering Week 3 Consensus average: 32.00. Miami allowed 382 yards and 35 points at San Francisco. Finding more defensive resistance and improving an offense that scored 13 are both required before the outlook...
#15  SEA	SEA at WAS Seattle Seahawks Power Rank #1 Entering Week 3 Consensus average: 1.25. Seattle paired 381 yards of offense with just 151 allowed in Arizona. That two-sided performance supports its leading position; sustaining defensive control gives the offense room...	SEA favored by 7 pts  Washington Commanders Power Rank #29 Entering Week 3 Consensus average: 28.50. Washington produced 389 yards, including 182 rushing, but conceded 37 points. Keeping the ground game productive helps; combining it with better scoring prevention is...
#14  SF	ARI at SF Arizona Cardinals Power Rank #27 Entering Week 3 Consensus average: 27.25. Arizona managed 151 yards against Seattle, including only 81 net passing yards. Establishing a functional passing attack is the most immediate need after a game with little...	SF favored by 8.5 pts  San Francisco 49ers Power Rank #6 Entering Week 3 Consensus average: 5.50. San Francisco produced 287 net passing yards in a 35-13 win. The passing game drove another positive result, while stronger opponents will offer a clearer measure of defensive...
#13  BUF	LAC at BUF Los Angeles Chargers Power Rank #28 Entering Week 3 Consensus average: 27.75. The Chargers narrowly outgained Las Vegas but scored only 14 points. They need more reward from their possessions, especially when a respectable rushing total does not...	BUF favored by 7 pts  Buffalo Bills Power Rank #2 Entering Week 3 Consensus average: 2.75. Buffalo combined 203 rushing yards with 243 net passing yards against Detroit. The attack offers several routes to points, while allowing 31 keeps defensive improvement on the...
#12  DET	NYJ at DET New York Jets Power Rank #26 Entering Week 3 Consensus average: 25.50. The Jets held Green Bay to 199 yards but lost in overtime. That defensive performance is worth building on, while stronger offensive finishing could turn similarly close games in...	DET favored by 6.5 pts  Detroit Lions Power Rank #13 Entering Week 3 Consensus average: 13.50. Detroit scored 31 but surrendered 446 yards, including 203 on the ground. Offensive scoring gives it a chance; reducing the volume and balance of opposing production is...
#11  GB	ATL at GB Atlanta Falcons Power Rank #31 Entering Week 3 Consensus average: 30.25. Atlanta gained 157 rushing yards but scored only three points against Carolina. The ground production needs a complementary passing threat and better finishing before it...	GB favored by 6 pts  Green Bay Packers Power Rank #20 Entering Week 3 Consensus average: 19.75. Green Bay won in overtime despite gaining just 199 yards. The result buys breathing room, but producing only 63 rushing yards and 136 net passing yards leaves substantial...
#10  CIN	CIN at PIT Cincinnati Bengals Power Rank #4 Entering Week 3 Consensus average: 4.75. Cincinnati won by 14 despite being outgained by Houston. Allowing only six points mattered most, but more sustained offensive production would make the winning...	CIN favored by 3.5 pts  Pittsburgh Steelers Power Rank #24 Entering Week 3 Consensus average: 24.25. Pittsburgh finished with three points and 235 yards against New England. The immediate task is creating sustained scoring drives so the defense is not asked to keep every...
#9  PHI	PHI at CHI Philadelphia Eagles Power Rank #9 Entering Week 3 Consensus average: 10.50. Philadelphia gained 341 yards in a four-point win at Tennessee. The unbeaten record is valuable, but closer games leave limited room for stalled possessions or...	PHI favored by 4.5 pts  Chicago Bears Power Rank #16 Entering Week 3 Consensus average: 13.75. Chicago held Minnesota to 246 yards but scored only three points. Defensive resistance kept the game close; the offense must turn its own possessions into a credible scoring...

Pick'em with Confidence Points

2026 WEEK 3 | EXPERT PICKS

Page 2 of 2 | Times Eastern

Highest confidence first. Points are a suggested order, not a guarantee.

#8  NYG	TEN at NYG  Tennessee Titans Power Rank #30 Entering Week 3 Consensus average: 29.75. Tennessee stayed within four points of Philadelphia after a difficult opener. Its 122 rushing yards provided support, but more consistent passing production is needed to push...	NYG favored by 3 pts  New York Giants Power Rank #18 Entering Week 3 Consensus average: 18.50. New York gained only 182 yards while allowing 481 against the Rams. Improving offensive staying power and limiting opposing production are both necessary after such a...
#7  MIN	MIN at TB  Minnesota Vikings Power Rank #10 Entering Week 3 Consensus average: 10.50. Minnesota won despite producing only 246 yards, holding Chicago to three points. The defense supplied the decisive edge; greater offensive output would make future wins less...	MIN favored by 1.5 pts  Tampa Bay Buccaneers Power Rank #25 Entering Week 3 Consensus average: 24.50. Tampa Bay outgained Cleveland but lost 23-19. Turning possession-level production into points is the priority; a yardage advantage alone provides little protection when the final...
#6  NO	LV at NO  Las Vegas Raiders Power Rank #21 Entering Week 3 Consensus average: 21.00. Las Vegas converted 305 yards into 26 points against the Chargers. The passing game provided most of the production; more help from the ground attack would broaden its...	NO favored by 3 pts  New Orleans Saints Power Rank #14 Entering Week 3 Consensus average: 13.50. New Orleans won with 298 yards against Baltimore, making its scoring opportunities count. Sustaining that efficiency while creating more consistent rushing production would...
#5  JAX	NE at JAX  New England Patriots Power Rank #12 Entering Week 3 Consensus average: 13.00. New England limited Pittsburgh to 235 yards and three points. That gives the Patriots a solid defensive result to build on while an offense with 327 yards seeks further growth.	JAX favored by 3 pts  Jacksonville Jaguars Power Rank #8 Entering Week 3 Consensus average: 9.50. Jacksonville managed 13 points and 268 yards in Denver. Recovering offensive consistency is the immediate priority after a game in which neither the passing nor rushing attack...
#4  BAL	BAL vs DAL  Baltimore Ravens Power Rank #11 Entering Week 3 Consensus average: 10.50. Baltimore held a modest yardage advantage over New Orleans but lost by seven. Translating productive possessions into points remains essential, especially when the...	BAL favored by 3 pts  Dallas Cowboys Power Rank #15 Entering Week 3 Consensus average: 13.75. Dallas scored 37 despite being outgained by Washington. The result is encouraging, but allowing 182 rushing yards identifies a clear defensive weakness to address before the...
#3  HOU	HOU at IND  Houston Texans Power Rank #17 Entering Week 3 Consensus average: 15.25. Houston gained 374 yards yet finished with six points against Cincinnati. Moving the ball is only part of the job; translating yardage into scoring is the central challenge after...	HOU favored by 2.5 pts  Indianapolis Colts Power Rank #22 Entering Week 3 Consensus average: 21.75. Indianapolis scored 30 and still lost after allowing Kansas City 523 yards. The offense made this competitive, but the defense must reduce the burden of keeping pace in...
#2  CAR	CAR at CLE  Carolina Panthers Power Rank #19 Entering Week 3 Consensus average: 18.75. Carolina followed its opener with a 34-3 win and 272 net passing yards. The passing production offers encouragement, while repeating the defensive scoring result would...	CAR favored by 2.5 pts  Cleveland Browns Power Rank #23 Entering Week 3 Consensus average: 24.00. Cleveland earned a four-point win with 267 yards of offense. Holding Tampa Bay to 19 helped overcome limited rushing production; improving that balance would give the...
#1  LA	LA at DEN  Los Angeles Rams Power Rank #5 Entering Week 3 Consensus average: 5.00. The Rams gained 481 yards while holding New York to 182. That substantial gap provides a strong response to the opener; repeating it will matter more than one dominant night.	LA favored by 2.5 pts  Denver Broncos Power Rank #7 Entering Week 3 Consensus average: 7.25. Denver held Jacksonville to 268 yards while generating 392 of its own. Converting that yardage advantage into more points would strengthen a rebound built on contributions...
