If the Vikings can replicate their defensive performance against the Bengals, the identity of their quarterback might not matter. However, it's worth noting that Carson Wentz delivered a solid performance with the responsibilities he was given.

Head Coach: Kevin O'Connell

Def. Coord: Brian Flores

Changes This Year: The Vikings enter 2025 with key offseason moves including the first-round draft pick of offensive lineman Donovan Jackson and the acquisition of quarterback Carson Wentz after trading Sam Howell. They bolstered their receiving corps and running back depth with signings and draft rookies like Myles Price. The team faced some injury setbacks and roster shuffling but aims to build on last year's surprising 14-3
