Opting to go for two and the win against Jacksonville was the right decision given the current state of the Raiders franchise. While the attempt didn't succeed, it was encouraging to see improvement from Geno Smith. This game, despite its outcome, was a step in the right direction and showed potential growth and boldness in their strategy.

Head Coach: Pete Carroll

Def. Coord: Patrick Graham

Changes This Year: The Raiders enter the 2025 season with a new head coach, Pete Carroll, and a revamped roster including quarterback Geno Smith and rookie running back Ashton Jeanty. After a tough 4-13 record last year, they aim to improve with key additions on offense and defense but still face challenges, especially on the offensive line. The team is in transition, hoping the new coaching staff and players can help

If only they could convince Bo Nix that every opening drive is actually the final one of the game. He seems to find his rhythm and confidence when the pressure is on in the fourth quarter. The Broncos need to tap into that energy right from the kickoff to improve their performance throughout the entire game.

Head Coach: Sean Payton

Off. Coord: Joe Lombardi

Def. Coord: Vance Joseph

Changes This Year: The Broncos made key additions like signing RB Deuce Vaughn and extending LB Nik Bonitto through 2029. They also promoted several players such as FB Adam Prentice and QB Sam Ehlinger to the active roster while managing injuries to starters like Dre Greenlaw. The team continues its rebuilding effort with depth moves across offense and defense as they seek consistency in 2025.
