Pete Carroll's position might be on shaky ground. The Seahawks are currently in disarray and struggling to find their footing. Inconsistent performances on both sides of the ball have raised questions about the team's direction and leadership. With key injuries piling up and a lack of cohesion

Changes This Year: The Raiders enter the 2025 season with a new head coach, Pete Carroll, and a revamped roster including quarterback Geno Smith and rookie running back Ashton Jeanty. After a tough 4-13 record last year, they aim to improve with key additions on offense and defense but still face challenges, especially on the offensive line. The team is in transition, hoping the new coaching staff and players can help
