MFT TEAM OUTLOOK

The Rams have improved their position, but their receiving outlook needs a fresh availability review. A road game against Arizona requires an adaptable plan if the preferred personnel are limited. Sustaining drives through multiple options would make progress more dependable. Managers should avoid projecting an earlier target distribution unchanged when the dated injury context has moved. Latest completed result: 20-13 against WAS. Week 10: at ARI.

MFT TEAM OUTLOOK

Arizona has an opportunity to test its approach against a familiar opponent whose personnel situation may be changing. That calls for preparation rather than assumptions about an easier matchup. Sustained offense would help keep the game manageable. Managers should confirm the current backfield and receiving options before treating a recent opportunity as a secure weekly allocation. Latest completed result: 3-17 against SEA. Week 10: vs. LA.
