

2025 Week 1 – PickEm Expert Picks

2025 Week 1 Overview

Welcome to the first Pick'Em Expert Picks overview of the season.
I'll be posting one of these every Tuesday for the next 18 weeks.

Week 1 is filled with unknowns.

Teams are adjusting to roster changes, rookies are unproven, and chemistry is still developing.
Some games will come down to who adapts fastest.

Expect surprises, shaky starts, and maybe a breakout or two that changes the narrative early.
